**REQUEST TO WITHDRAW ADVISORY ACTION OF JUNE 9, 2008**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicants hereby request that the improper Advisory Action be withdrawn and that prosecution be reopened in accord with 37 C.F.R. §41.39(b)(1), as previously requested.

On November 29, 2007, an Examiner's Answer in the above-identified patent application was mailed to applicants' counsel. The Examiner's Answer contained a new ground of rejection. (See page 9.) The Examiner's Answer therefore presented two options: (1) reopening prosecution; or (2) maintaining the appeal. A two-month period for response was set forth in the Examiner's Answer.

On January 25, 2008, within the two-month period for response to the new ground of rejection, applicants submitted a Request to Reopen Prosecution Under 37 C.F.R. 41.39(b)(1) and Reply Under 37 C.F.R. 1.111. In that document, at page 8, applicants further indicated that supplemental information, including a declaration pursuant to 37 C.F.R. §1.132, would be submitted in due course.

On March 13, 2008, a Supplemental Reply Under 37 C.F.R. §1.111 was submitted, along with the Declaration by Rajesh K. Karg and Tony Phan Under 37 C.F.R. §1.132, to which reference had previously been made in the filing of January 25, 2008.

Despite this record, the Advisory Action of June 9, 2008, asserted that (i) the applicants' submissions of January 25 and March 13 were not limited to canceling claims and (ii) the declaration was not filed before the appeal brief. The Advisory Action then refused entry.

Applicants have clearly elected to reopen prosecution of this application according to the Patent Office rules and have timely provided sufficient documentation and arguments consistent with those rules. The only basis for refusing to reopen prosecution is that a request has not been filed within the two-month time period. As set forth above, however, a reply was, indeed, timely filed.

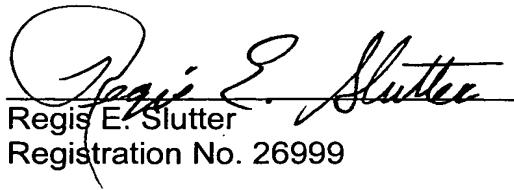

Accordingly, the Advisory Action dated June 9, 2008, is improper and should be withdrawn. Moreover, prosecution should be reopened based on the materials submitted on January 25, 2008, and March 13, 2008.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
